MESSAGE

It gives me a sense of immense pride to remember our great forebear Pa Togan Sangma.

A colossal leader of the Garo Tribe, Pa Togan Sangma was a brave freedom fighter. He led a valiant fight against the British occupation of Garo Hills. Displaying sagacity and courage, Pa Togan together with a group of Garo warriors conducted audacious raids on the British Forces, which deterred and struck fear into the British troops. His acts of valour in defending his people and homeland resonate to this day.

As we commemorate his 150th Death Anniversary, we pay tribute to this noble patriot who made the supreme sacrifice so that we live today with justice, liberty and equality in sovereign India.
